## Existing Policy on Gender Equity and Sensitization at Sarat Centenary College

Sarat Centenary College is committed to fostering an inclusive and equitable environment for all students, faculty, and staff, with a particular emphasis on promoting gender equity. Over the last five years, the college has initiated a comprehensive Internal Gender Audit and has implemented various measures to enhance gender sensitivity in curricular and co-curricular activities. This policy outlines the strategic actions and facilities established by the Gender Equity Committee to ensure a safe and supportive environment for women on campus.

**Curriculum Integration:** All departments are encouraged to integrate gender studies into their curricula where applicable. Courses focusing on gender issues, women's studies, and gender rights are to be promoted. Seminars on gender sensitivity, women's rights, and related topics were organized. The college ensures that all areas of the campus are safe and secure, especially for women. This includes well-lit pathways, CCTV surveillance. Adequate and accessible sanitary facilities, including clean and safe restrooms and provision for sanitary napkins, made available in all areas of the campus.

**Gender Audit:** The Gender Sensitization Cell conducted an annual Gender Audit to assess the effectiveness of the implemented measures. This audit reviews campus facilities, policies, and practices from a gender perspective.

Sarat Centenary College is committed to maintaining a campus environment that is respectful, inclusive, and equitable for all genders.
