**List of Regular and Special Programs: Year: 2022-2023**

The National Service Scheme SPECIAL CAMP has been arranged in our College Premises from 23rd to 29th March, 2023 on the theme of 'Environment including preservation of natural resources'. There were 142 volunteers in this Special Camp. The first program of this special camp was a cleaning program and also a weed irradiation program in our college premises and also our three adopted villages. The volunteers of the NSS have set some bird houses inside our college garden and buildings, so that birds can make their habitats. So this was a good initiative. On behalf of this program a seminar has been arranged on 24.03.23, by Dr. Taheruzzaman, Assoc. Professor, Sarat Centenary College. Volunteers also participated in an extempore competition on 25.03.23. Our volunteers moved to our adopted village primary school to motivate children for environmental awareness. They had also participated in tree Plantation program inside our college premises and also at our Adopted Villages.
