NOTICE

(Environmental Field Study)

All the 1st Semester students of Science and Geography Departments are hereby notified that an Environmental Field Study will be conducted focusing on the medicinal plants of Dhaniakhali block on Thursday, January 18, 2024. This hands-on learning experience will provide you with a unique opportunity to:

- Explore the local biodiversity: Identify and learn about various medicinal plants found in Dhaniakhali block.
- Gain practical knowledge: Understand the traditional and scientific uses of these plants in healthcare.
- Develop field study skills: Practice observation, data collection, and analysis in a natural environment.
- Foster teamwork and collaboration: Work with fellow students and faculty members on shared learning goals.

Details of the Field Study:

- Date: Thursday, January 18, 2024
- Time: Starting at 11:30 AM (Please arrive 15 minutes early on the College premises)
- Location: Dhaniakhali block(Chanpaberia Mouza)
- Focus: Identification and medicinal properties of native plants

Participation in the field study is mandatory for all first-semester students of the Science and Geography Departments. We encourage you to take advantage of this exciting opportunity to learn more about the environment and the valuable medicinal resources found right here in Dhaniakhali block. We look forward to exploring the wonders of nature with you!
