

Call for Abstracts

One Day National Seminar on

Adaptation of Sustainable Measures Towards a Sustainable Planet for All

Organised by Department of Geography, Sarat Centenary College

In Collaboration with Department of Geography, Tarakeswar Degree College

With Support from IQAC, Sarat Centenary College

Venue - Sarat Centenary College, Dhaniakhali, Hooghly, WB, 712302

Date - Friday 13 September 2024

❖ **Seminar Objective:**

To foster a comprehensive understanding of the pressing challenges posed by climate change and environmental degradation, and to explore and discuss effective measures and methodologies for achieving a sustainable planet for all.

❖ **Rationale:**

The escalating impacts of climate change, resource depletion, and environmental pollution necessitate urgent and collaborative action. This seminar aims to bring together experts, researchers, policymakers, and stakeholders to share knowledge, insights, and best practices for building a sustainable future.

❖ **Keynote Speaker:**

Dr Chandramauli, Associate Professor, Dept. of Geography, Indira Gandhi National Tribal University, Amarkantak, MP

❖ **Guest of Honour:**

Dr Ashis Sarkar, Professor (Retd.) of Geography, Department of Higher Education, Govt. of WB

❖ **Distinguished Resource Person:**

Dr Deb Prakash Pahari, Sr. Scientific Officer, Dept. of Geography, The University of Burdwan

❖ **Suggestive Sub-Themes (allied topics also included):**

- ✓ Sustainable Development Goals (SDGs)
- ✓ Progress of Sustainable SDGs in India and adjoining Countries
